April 9, 1959

Dear Allen:

Just a note to congratulate you on the masterful speech which I read in full in this morning's New York Times. It seemed to me precisely the pitch for those in the population who wonder what the score really is and what can be done about it.

STAT

Lloyd returned from [redacted] a few days ago and I know will be getting in touch with you before long.

Sincerely,

Mr. Allen W. Dulles
